Mrs. M. E. Hagan had Rhea Gordon, of the alley C shady district, arrested yesterday and brought before Squire Rogers, on the charges of being a person not of good fame, and of living in adultery. The plaintiff claimed that the Gordon woman was cohabiting with her husband. The woman was fined \$20 and costs on one charge, and released on giving bond for the other.

## A BIG ADVANCE

In Wheat and Flour has Taken Place, That on Flour Being

FULLY A DOLLAR ON THE BARREL.

ON SOME GRADES—FOR THE FIRST

TIME RECENTLY, WHEAT MARKET AT A DOLLAR A BUSHEL. IF EXPORTATION IS STOPPED BY THE WAR, HOWEVER, THERE WILL BE A DECLINE.

There appears to be a general upward tendency in the local wholesale markets, and this is said to be almost entirely caused by the war between the United States and Spain.

Since the wholesale quotations of last week, flour had advanced a dollar a barrels on some grades and the lowest advance on any grade quoted is sixty cents. This has been caused by the late advances on wheat which were brought about by the war scare. Wheat was quoted in the local markets yesterday at ninety-five cents and one dollar per bushel, higher than it has ranged for a long time.

It remains to be seen, however, if the advance in wheat is permanent. Speaking of the advance yesterday afternoon, Mr. Walter Marshall, the local dealer, said that in the event of exportation being stopped on account of the war, there would be a decline in the price, as America has more wheat than can be consumed in this country. It is not believed, though, that Spain can blockade American ports to the point of stopping the exportation of wheat or any other commodity.

Coffins and lard have also participated in the advance this week.

Mr. Ellingham, of Neill & Ellingham, said yesterday that quotations on coffee and tobacco are uncertain. Orders will be filled only at prices ruling on the day of shipment. The revenue tax on tobacco will surely cause an advance in tobacco.

## SOCIETY.

Yesterday at noon, at the home of Dr. and Mrs. N. D. Jones, South Penn street, occurred the wedding of Dr. John B. Jones and Miss Lou Ridgely, both of West Liberty. The ceremony was performed by the groom's father, Rev. Campbell Jones, of the Christian church, Claysville, Pa. The wedding was a quiet affair, and there were no attendants. Only the immediate relatives of the principals were present. At the conclusion of the ceremony the wedding feast was served, after which the happy couple were driven to their future home, in West Liberty.

The groom is a popular young physician, enjoying a large practice throughout the country, and the bride is a charming and accomplished young lady, a member of one of the oldest families in West Liberty. Dr. and Mrs. Jones have the best wishes of a large circle of friends.

In the Circuit Court.

Yesterday, in the circuit court, Judge Hervey, in the case of Henry Helfenbein vs. Noah and Platoff Zane, there was judgment for the plaintiff for \$695.54.

Isaac Neifinger vs. Elizabeth Embelm et al; reset for May 13.

In Part II, Judge Paul, the case of F. A. Fritchard & Co., of Mannington, vs. the Philadelphia Company, of Pittsburgh, was put on trial before a jury. Daniel Bott, a native of Germany, became a citizen of the United States.

Insanity Cases.

A wave of insanity seems to be borne out by the cases before Squire Rogers yesterday. Charles Swannenberg was adjudged insane and released on \$500 bond. Joseph Schrimpf dismissed likewise. Charles Beecroft was adjudged not insane. Margaret Hope fared differently, and will be sent to Weston.

"BLINTS" TO ENTERTAIN.

To-morrow evening, at the handsome home of the Central Garden Club, across the creek, the "Blint" Fishing Club, an organization of young men who annually camp out above town, will give a concert and ball that promises to be a huge success.
